Please describe your horses temperament: Stan is a shy colt that thrives on attention and handling. He can be caught in our yards, lead, tie up and has been brushed. He has had his feet trimmed every 6 weeks since birth and been regularly drenched.

We have not seen Stan, fence walk, weave, windsuck, head flick/shake or kick.

Any Additional Information:

Stan will benefit from regular handling and interaction from his new owners.

He will be branded, micro-chipped and ID forms will be completed before he leaves for his new home. He is currently on a grass and baleage diet with a mineral mix. Every aspect of his care so far has been to ensure he has longevity in his career

Stan's dam Picarla was imported from Ireland and is out of the same dam as Mr Blue - who won many international GP and Nation Cups .

Picarla has produced Karla K (Guidam) who jumped up to WC here in NZ and won several GPs.
